Looking for Volunteers

The United States Selective Service System has local Board Member vacancies in the Bridgeport and Trumbull Connecticut area. We are accepting applicants for Local Board Member positions

An important component of the Selective Service System is its citizen volunteers who make up the Local Boards. A Selective Service Local Board is a group of five citizen volunteers whose mission, Upon a draft, will be to decide who among the registrants in their community will receive deferments, postponements or exemption from military service based on the individual registrant's circumstances and beliefs.

Local Board members are appointed by the Director of the Selective Service in the name of President Obama, on recommendation made by our CT State Governor Malloy. If you are interested in serving as a Local Board member, you may apply on line for an applicant package. Some requirements to be a board member are:

- U.S. Citizen
- At least 18 years old
- Not a retired or active member of the Armed Forces or any Reserve component
- Live in the area where the board has jurisdiction
- Be able to devote sufficient time to accomplish Board Member duties

For more information or to complete an application form, please reference the website at: <https://www.sss.gov/BM.htm>

If you are interested in an interview for the position, you may contact LTC Michael Davis, Selective Service System Reserve Force Officer at michael.davis@sss.gov.

POOL INFORMATION

With spring here the Building Department wants to remind you about the importance of pool safety. The US Consumer Product Safety Commission estimates that each year about 300 children under 5 years old drown in swimming pools. 75 percent of the children involved in swimming pool submersion or drowning accidents were between 1 and 3 years old. Most of the victims were being supervised by one or both parents when the swimming pool accident occurred. Nearly half of the victims were last seen in the house before the pool incident. So how can you prevent a tragedy? By providing proper pool barriers and alarms. See the Building Department website for a complete list of Code compliant barriers.

How do you know if your swimming pool requires a barrier and alarm? By State Building Code definition a swimming pool is any structure intended for swimming or recreational bathing that contains water over 24 inches deep. This includes in-ground, above-ground, inflatable and on-ground swimming pools, hot tubs and spas. **This includes the ready to assemble pools you purchase at your local discount stores.** Pools also need to be permitted and inspected to ensure they are safe and code compliant.

For a detailed list of code requirements and further information on pool safety visit the [Building Dept.](#) website or contact our office at 203 452 5020 or 203 452 5021 Monday through Friday 7:30 am to 4 pm.

A Flag Retirement Ceremony will be held Thursday, June 16 at 7PM at the Veteran's Center off Whitney Avenue. All scout and other youth groups are invited, as well as the general public.

AMERICAN LEGION POST 141 – TRUMBULL, CONNECTICUT

American Legion Post 141 is looking for veterans to help us maintain and improve our efforts to support programs for veterans, children and youth. Membership is open to all who served during WWII, the Korean conflict, Vietnam, Lebanon, Granada and Panama, and all conflicts since Desert Storm are eligible to join, whether or not you actually served in theatre during those periods. We have a particular need for you younger veterans to join and assume leadership within this oldest and largest (with 2.4 million members) veterans' organization, founded in 1919 by veterans of WWI. For further information call either Jimmy Chin (268-9972) or George Areson (261-6874).

TRUMBULL VETERANS HALL

Plan your event at Trumbull Veterans' Hall. This facility, with capacity for more than 100 people, is available for bridal and baby showers, christening and Bar Mitzvah parties, children's parties, fund raisers, and meetings of all kind. We set up tables and chairs and provide on-site assistance and security. Facility has kitchen facilities and there is plenty of parking. Location is on beautiful Katz Pond. For more information call Peter Pappas at 268-7904.

SAFETY MESSAGES ABOUT SMOKE ALARMS

Smoke alarms are a key part of a home fire escape plan. When there is a fire, smoke spreads fast. Working smoke alarms give you early warning so you can get outside quickly.

Safety tips

Install smoke alarms inside each bedroom and sleeping area. Install smoke alarms and carbon monoxide detectors in the hallway of any sleeping areas and on every level of the home. Install alarms in the basement. Large homes may need extra smoke alarms. It is best to use interconnected smoke alarms. When one smoke alarm sounds they all sound. Test all smoke alarms at least once a month. Press the test button to be sure the alarm is working.

There are two kinds of alarms. Ionization smoke alarms are quicker to warn about flaming fires. Photoelectric alarms are quicker to warn about smoldering fires. It is best to use of both types of alarms in the home. A smoke alarm should be on the ceiling or high on a wall. Keep smoke alarms away from the kitchen to reduce false alarms. They should be at least 10 feet (3 meters) from the stove. People who are [hard-of-hearing or deaf](#) can use special alarms. These alarms have strobe lights and bed shakers. Replace all smoke alarms when they are 10 years old.

The Town Clerk's Office is collecting funds for
"Care Packages of Soldiers" in our office.

All proceeds are sent to *Project from the Heart*
and used for postage.

*As of 5/26/2016 we have collected \$4,880.00 for our servicemen and women.
As always, we appreciate your kindness, generosity and support!*

*Thank you –
Suzanne and Staff*
